Budget Part 2 – LEA ESSER 2 Funds

In building budgets, please keep in mind that federal funds should be utilized to supplement your state and local funds. The consolidated budget does not have to include state and local funds, but their availability and utilization should be considered the foundation for building academic recovery plans. Likewise, when considering facilities upgrades (e.g., improvements to nurses' stations), state and local funds including PSCA bond issue should be considered before utilizing limited federal resources.
